Resident Benefit Package:

All leases require resident enrollment into the Resident Benefit Package. There will be a \$25.00 per month charge for this package. We will facilitate these programs with no action needed from our residents.

1. Renter's Insurance Policy: All 3 Realty has established an umbrella policy that will give all residents under this policy a \$100,000 liability and \$5000 in content coverage. This service alone is valued at around \$20 a month.
2. HVAC Filters: When renting a home, the resident is expected to maintain the filters during the lease term. (This is required in your current lease). This means the resident has to know the size and remember to purchase the filter at the store. NOT ANYMORE! All 3 Realty has worked out a plan with a third party company that will deliver time stamped filters to your home when it's time for them to be changed. It is only your responsibility to switch them out when they show up at your doorstep. This is a valued at over \$10 a month.
3. Claim Assistance: The deductible for a Renter's policy is \$500 for a claim. All 3 Realty will split this deductible with the resident should the resident need to file an insurance claim. (Flood, Fire, etc)
4. Tenant Portal/ Payment Processing: Online payment processing and rent reminders. Valued at \$5 a month
5. Texting Capabilities: All 3 Realty has invested in software that will allow the resident to get immediate responses through texting our office number. (678-7827447) We realize that many residents prefer to text and not email, so we added a service called Podium to allow you to communicate with our office in your preferred way. This includes being able to create maintenance work orders and upload photos!
6. Waive of 1 Late Fee: All 3 Realty realizes that over the course of a year lease that a resident might require a couple of extra days to pay their rent. Because of this, All 3 Realty will waive one late fee per contract year if the funds are paid before the 10th of the month. Valued at \$100.
7. Rental Karma: Do you want to have your rent payments reported to the credit bureau? You can now use Rental Karma to record your rental payments and raise your credit score. Our discount rate is 30% off with Rental Karma. As part of the Resident Benefit Package, we will provide you with the discount code for All 3 Realty residents.
8. Utility Concierge: At the time of move in, we have a relationship with Citizen Home Solutions who provides free help with the utility setup process.
9. WE ALLOW PETS: We have partnered with a company called Pet Screeners. This company applies the pet's and the owner's information to generate their "FIDO" score and rates the risk involved. Based on the risk factors, the resident will pay a monthly pet admin fee. Your pet will need to go through the pet screening process at <https://a3r.petscreening.com/>.

Submitting Maintenance Request:

- If a maintenance issue should arise, please complete a maintenance request by submitting a service request online at www.all3realty.com/maintenance
- Please submit maintenance requests online so that you can be as specific as possible about the problem. If you are unable to submit the request online please text your maintenance request to 678-782-7447 or call or office to have an agent assist you.
- Tenants are responsible for securing any pets that may be encountered on the visit to the property.
- If a technician is unable to gain access to the property after coordinating a time and date with you, a \$75.00 trip fee will be charged.
- Lockboxes assign to the individual property for property access will need to remain on the premises. Occupants will be responsible for ensuring keys are placed in them for maintenance appointments, move outs, periodicals, etc. All appointments will be schedule with property notice to occupants per the terms of the lease.

Moving Into Your New Home:

Utilities:

Prior to commencement of the lease term, you are required to transfer the utilities to your name for the property AND provide the account numbers on the “Welcome Letter” sheet. Your leasing agent should provide a list of possible providers in your area. If utilities are not transferred within 3 business days of move-in this will result in a \$50.00 additional rent on the 4th day plus any incurred charges.

Move-In Inspection:

You will have to meet your leasing agent at your new home to conduct a “Move in Inspection”. This process normally takes no longer than 30 minutes. The Move-In Inspection protects you as a tenant. The purpose of the Move in Inspection is to document the condition of the premises before tenant takes possession, not to create a punch list of repairs to be completed. Landlord will not repair any cosmetic or non-functional items such as carpet blemishes, chipped sinks, etc. nor do any interior or exterior painting or any other repairs unless specifically agreed to by the Landlord in writing prior to move-in. Tenant may not rely on any verbal statement made by a management representative that such repairs will be made. Tenant taking possession of the premises shall be evidence that the premises is accepted “AS-IN” by the tenant.

Paying Rent:

When is rent due?

Rent is due on the 1st of each month & is considered late on the 5th. If you pay your rent after the 5th@ 12:00 a.m. you will be issued a \$100.00 late fee. If rent is not paid in full by the 15th, dispossessory action will be filed against you.

Emergency Procedures:

In the case of a medical, fire, or other emergency situation that could involve immediate peril to you or someone surrounding you, please call 911.

Maintenance Emergency Procedures: If you experience an emergency situation, please follow the steps outlined below. As a note, if the problem occurs in the middle of the night, it is very unlikely we will be able to dispatch a contractor to the property until the next morning.

- The specific definition of a maintenance emergency is:
 - An issue that is dangerous, hazardous or if not addressed immediately could cause damage to the property or your personal well-being (ex. Flooding, no heat in the winter or gas leak).
- An emergency is NOT:
 - Annoying sounds, appliance malfunction, A/C failure, drain stoppage, etc... While inconvenient, these are not considered emergencies and will be handled by our office on the following business day.
 - Although an A/C issue is not technically defined as an emergency, we do understand how hot summers are here in Georgia and can sometimes be unbearable during the summer.
- If the situation is considered a maintenance emergency and occurs during normal business hours, please call our office, then follow-up with a formal service request submitted online.
- If the situation occurs after business hours, please call our main office line at 404-520-8959. If you reach a recording, leave your name, phone number, address and the type of emergency.
